# The ultimate New York festival returns

**JUNE 11–AUGUST 9**

You're invited to Lincoln Center's fourth annual *Summer for the City*, with **hundreds of FREE and Choose-What-You-Pay events** featuring global artistic voices that reflect New York City's vibrant cultural communities.

All summer long we welcome you to find your place in this quintessential NYC summer destination. Hit The Dance Floor for social dance and silent discos or enjoy concerts under the stars in Damrosch Park. Join us for familiar favorites like the BAAND Together Dance Festival, Festival Orchestra of Lincoln Center, family storytimes, globalFEST, and Comedy Underground, or catch something new at the Run AMOC\* Festival, Brazil Week, and the Mahabharata theatrical epic to name a few. Tickets to Choose-What-You-Pay performances go on sale on May 15 at noon.

Experience global rhythms, taste international food offerings, and embrace new perspectives—all without ever leaving New York!

This is your *Summer for the City*. Come soar with us!
